

The Sage Age – Book Synopsis – short version

Combining the knowledge of physics with intuitive practice is no small task. The two disciplines often use the same words to mean entirely different things. Written for the seeker with more than a casual interest, *The Sage Age – Blending Science with Intuitive Wisdom* demystifies complex ideas with intelligent analogies and examples designed to appeal to both the scientist and the natural intuitive.

Four years in the writing, this expansive new work combines knowledge from the physical sciences and the intuitive arts to present a visionary perspective that harmonizes these diverse disciplines into one body of knowledge.

With a well-researched approach to its subjects, *The Sage Age* covers a broad range of material from ancient to modern thought, frontier science and current intuitive practice to deliver a depth and breadth of understanding that culminates in a holistic perspective for our time.

Living up to its mantra of "new models for new thought," *The Sage Age* is certain to be a catalyst for dialogue and is destined to be a major work in its field.
